PACE OF PLAY

It is a condition of the competition that “the Player shall play without undue delay and in accordance with any pace of play (POP) guidelines that the Committee may establish” and with the prescribed penalties for slow play. The MGA will be closely monitoring the POP at all MGA Championships. Chronic slow play takes away much of the enjoyment of the game of golf and we ask that you please be courteous of your pace. We appreciate your cooperation with the [MGA Pace of Play Policy](#).
