

USGA TM Mobile Scoring

- Mobile Scorecards will continue to be the official method of scorekeeping across the majority of MGA Championships.
- All players will now be required to Mark for another player in their group.
- The USGA has introduced new features to support Scorecard Certification

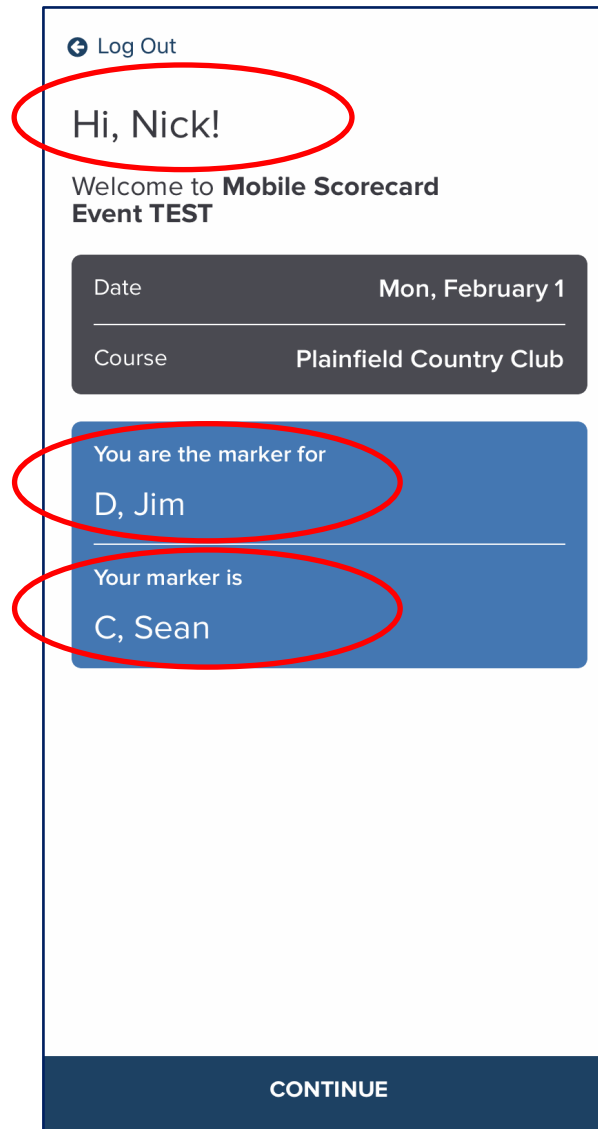

The screenshot shows the MGA mobile app's sign-in interface. At the top is the MGA logo with the year 1897. Below it, the text "SIGN IN USING" is centered. There are two input fields: "GGID" and "Email & Password", separated by the word "or". Below the "GGID" field is a magnifying glass icon and the text "GGID". At the bottom of the screen is a grey bar with the text "SIGN IN".

USGA TM Mobile Scoring

- Step 1: Players will sign in to the USGA TM app with their unique GGID
- Step 2: Stater will confirm the markers on the mobile scorecards are correct
 - Player A will mark for Player B
 - Player B will mark for Player C
 - Player C will mark for Player A

USGA TM Mobile Scoring

- Step 3: After each hole is completed Players will enter scores for the player they are marking for and themselves.
 - Please note: Players notes are not official. Only scores entered by a marker for another player will be counted
- Step 4: Players will then tap "Save Scores" to display the next hole and continue the process.

USGA TM Mobile Scoring

- Step 5: Once the round is complete players will review and certify their scores in the scoring tent
- Step 6: When reviewing scores players and markers are required to check for any discrepancies prior to certifying.
 - Discrepancies will be highlighted in yellow

Correcting a Wrong Score

- Step 7: Players must correct all discrepancies prior to certification
 - To correct a score, the **player who entered** the incorrect score MUST correct the score on their device by:
 1. Tapping the incorrect score on the review page and entering the correct score, or:
 2. By returning to the hole page with the incorrect score and entering the correct score

USGA TM Mobile Scoring

Certification

- Step 8: If all scores are correct players may complete the scoring process.
- To complete the process all Players MUST Certify:
 1. The score they recorded as a Marker,
 - AND:
 2. The score their Marker recorded for them

The image displays two side-by-side screenshots of the USGA mobile scoring app interface. Both screens show a hole summary table with columns for Hole, Yardage, Par, and Scores. The left screen is for Hole 1, showing scores for Jim D (74) with a 'Certify as Marker' button circled in red. The right screen is for Hole 18, showing scores for Marker Sean C and Nick R (73) with a 'Certify as Player' button circled in red.
