

As a reminder, at the Stanwich Club, a player's golf shoes must be spikeless. This policy was enacted to ensure the quality of the bent grass greens. Please see the note from the Stanwich Greens Committee along with a few examples below.

"The Greens Committee has made it mandatory that all golf shoes are molded bottoms and spikeless to protect your world class putting surfaces."

Molded Bottom-Spikeless Shoes

Allowed

Spiked Shoes-Not Permitted
